

Dear Senator

As your constituent, I urge you to support legislation to replace the death penalty in Washington with lifetime incarceration without the possibility of parole.

The death penalty is costly and ineffective – it neither deters crime nor does it offer swift and certain justice for victims' families. The death penalty also poses an unacceptable risk of executing innocent individuals.

Washington has the opportunity to be a national leader on this issue by adopting safe and just alternatives to the death penalty. Please support this important change in the law.

Sincerely,
