# **“FIXING THE FUTURE”**

**A DOCUMENTARY FILM BY ELLEN SPIRO** (58 min, 2010)

With

**THE SIERRA CLUB**

And the grass roots group

**‘GOT GREEN’**

**An equitable, green economy is the best way to fight poverty and global warming at the same time !**

The economy does not have to be the way it is right now. “FIXING THE FUTURE” interviews leading economist David Korten and the US Editor of The Economist, Matthew Bishop, to find out how to go about fixing capitalism, rebuilding our economy and creating jobs.

Please join us following the film for a Community Conversation with GOT GREEN and THE SIERRA CLUB about exploring the connections between environmental quality, jobs & social justice.

Learn about the benefits of the Targeted Local Hire (TLH) program.
