# THE PEOPLE SPEAK

...Howard Zinn:  
Voices of a People's  
History of the United  
States

*The People Speak* is a beautiful and moving film inspired by Howard Zinn's books *A People's History of the United States*—first published in 1980 and one of the bestselling history books in the United States—and *Voices of a People's History of the United States*, the primary-source companion to *A People's History of the United States*, edited with Anthony Arnove.

Using dramatic and musical performances of the letters, diaries and speeches of everyday Americans, the documentary feature film

**THE PEOPLE SPEAK** gives voice to those who spoke up for social change throughout U.S. history, forging a nation from the bottom up with their insistence on equality and justice.

Narrated by acclaimed historian Howard Zinn, the film is based on his best-selling books and with Anthony Arnove
